

NEW FAD IS INTRODUCED

Fair Members Divorce Colony Having Wedding Rings Made Swastika Pins

What will be next? You must wait until the next time to find out, but the Gazette is able to tell you what is the very, very latest up to date

It is thusly and as follows

As everybody knows, and there is no reason for withholding any publicity in the matter, there are dozens, scores, even hundreds of ladies in this city who don't expect to remain longer than the statutory period, and you know what that means also

Well, to approach this delicate subject sort of solemnly, carefully and carefully and without any impetuosity, these ladies each wore a wedding ring when they arrived.

But just look at the third finger of the left hand—that's right, isn't it—and see the little mark that the erstwhile ring wore

You bet it's erstwhile

Milady has heard what her neighbor has done and she has followed suit. She has hastened to the goldsmith and he has fashioned a cute little swastika pin of the former wedding ring. Now, isn't that in perfect taste, and such a cute bid to fortune?
