

Hi - Harry & Joan! -  
 Yes - finally did it - & tied the  
 conubial knot at 159's beginning, moved  
 to La Jolla - bought a lovely home here on the  
 blue Pacific - and had a little baby boy, Michael -  
 in Oct. - So things've REALLY changed since I saw  
 you last - skinning deer, & skinning over desert  
 woods in red hot orchards! You is an industrial psychologist  
 at Convair - Astronautics in San Diego - specializing in management  
 development work. - How're you been - still living  
 out by Pyramid? - Have a very happy holiday - & a  
 wonderful 1960 - Love - Mary Lou

... is TO WISH YOU A  
**VERY MERRY CHRISTMAS!**
