Dear Joan and Harry,

It is nearly impossible to find words that will adequately express my appreciation and gratitude for all you have done for me.

When I first came into your home, the gravity of my particular situation was bearing down on me very heavily. You were kind and thoughtful enough to help lift that burden and give me peace of mind. For this I will be forever in your debt.

All I can say is, "Thank you very much," with the hope that these few, simple words will convey my very deep and sincere feelings.

Cordially,

*Rich*
