My Dear Sir:-

In Re: Wayne E. [REDACTED]

-vs-

Hazel [REDACTED].

Wayne E? [REDACTED], the plaintiff in the above entitled cause died on July 26th 1943.

I have just received your stipulation with Mr Crowell Dated August 4th 1943 extending the time to plead. Evidently Mr Crowell did not know of the death of his client and, perhaps it might be well for you to advise him so that he will go to no further trouble in the matter.

I presume the suggestion of the death of Wayne E. [REDACTED] would confer authority on the Court to dismiss the proceeding - both the original complaint and the counter claim.

I am sorry that this matter has thus ended and hope that the time may come when we can co-operate on other matters.

Thanking you kindly I am

Yours very truly,
C. R. Iungerich
